We raised nearly half of the Crowdfunding target amount by mid-June. The finishing works are taking a little longer so we've extended the donation date to 26 July. Your donation will make a difference, large or small – £10 could go towards some kitchen crockery, £50 could contribute towards new chairs.

Your donation will not only make this historical building fit for its next 100 years but will preserve the heart of village life.

THANK YOU!

Own a piece of history

There are a few pieces of runway track left from one of the historical twelve airfields in the New Forest. D-Day fighter bombers took off and landed on it hundreds of times as part of the D-Day Normandy invasion.

Laid 1942, the tracks are nearly 85 years old. Having spent most of their time in the mud, they're in a remarkable condition for their age.

If you want to own a piece of history for a donation to the hall, please email Marc Heighway: mheighway@hotmail.com
