

East Boldre Village Hall Crowdfunding Campaign

We need your help to raise £35,000

**Rejuvenating the social heart of your village
We're so close — let's finish it together!**

Refurbishment is well underway using the £450,000 already raised for essential repairs.

Building costs have escalated and we now need your help to cross the finish line.

The hall will be the social heart of our community - hosting events, activities, and bringing people together for years to come.

This money will equip the hall with audio visual equipment, new chairs, curtains & blinds and CCTV. Every contribution, big or small, makes a difference.

Donate Today :

- Scan the QR code
